## Antique Diamond Earrings

Do you remember the antique diamond earrings your grandmother wore, so long ago? Are you trying to locate a pair of antique diamond earrings, for yourself? I have a few tips to give you, to help you on your search, for the perfect pair of antique diamond earrings.

{mosgoogle}

The first place I would look for a pair of antique diamond earrings, is an antique shop. I know you are probably thinking, antique shops only deal with antique furniture. However, that is not always the case. Pick up your phone, and call your local antique shop, to ask them if they have any antique diamond earrings. If they do not have any, chances are, they can tell you someone who does. This is a great way to get a lead, in your hunt, for those antique diamond earrings.

Another great place to look for antique diamond earrings, is an estate sale. Many times, estate sales are of things that can not be moved, when the owners are relocating. Sometimes they are families having an estate sale, after a loved one has passed away. This is a great resource for finding your antique diamond earrings. You just never know what kind of treasure you will come upon when going to estate sales.

Somewhere else to look for your antique diamond earrings, would be your local jewelry store. The jewelry store owner just may know, of an antique jeweler. Many jewelry stores will refer their customers to someone else, when they do not have what the customer is looking for. One other place you may want to look for your antique diamond earrings, is Ebay. Just do a search and you might be surprised at the results you get back.
