Diamond emerald earrings from Zales come in a nice variety. One particular pair of diamond emerald earrings, that really caught my eye was the emerald and diamond two row hoop earrings in 14K gold. These earrings are the most stunning and eye catching diamond emerald earrings I have ever seen. Another exquisite pair of diamond emerald earrings are the emerald earrings with diamond accents in 14K two tone gold. They are absolutely beautiful.

While shopping at Zales for your diamond emerald earrings, you want to look at their oval emerald earrings in 10K gold with diamond accents. This is another really nice pair of diamond emerald earrings. The top of the earring is shaped almost like a flower, with a green center and the two tone affect in these diamond emerald earrings is just stunning. They kind of have a little dangle to them. Another pretty pair of diamond emerald earrings from Zales are the emerald hoop earrings set in 10K gold with diamond accents. These earrings are very classy.

If you have a may birthday, that is as good of excuse as any to go out and get you a pair of these diamond emerald earrings. They never go out of style, they go with most any wardrobe selection, and you will want to wear them everyday.
